Amendments to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

1. (Cancelled)
2. (Cancelled)
3. (Cancelled)
4. (Cancelled)
5. (Currently Amended) A personal digital assistant including a body section connected to a display through a hinge joint; the hinge joint defining a substantially enclosed space internal to one or more components of the hinge joint ~~the hinge joint defining a cavity inside a component of the hinge joint~~; a memory housed within said body section; a printer ~~at least a portion of which is disposed in said cavity of said hinge joint~~; a controller housed within said body section and allowing a user to selectively retrieve information from said memory, to display information on the display and to print information using said printer; and input means allowing a user to enter and store new information in said memory; wherein at least one of a printhead of the printer, a print media supply of the printer and an ink supply of the printer is housed within the cavity of the hinge joint.
6. (Original) The personal digital assistant of claim 5 including a supply of print media disposed in said hinge joint.
7. (Currently Amended) The personal digital assistant of claim 6, the hinge joint including a releasable cover portion through which a portion of said printer means including said print media and/or an ink cartridge can be removed.
8. (Original) The personal digital assistant of claim 5 wherein said printer means includes a monolithic pagewidth printhead.
